Project description

Office space, in total approx. 1,000 sq m, in a modern office building at RichPort Park Schiphol-Rijk, with very spacious parking and various facilities such as a representative central entrance hall with coffee corner, atrium and a "staffed" reception desk. The basement has a spacious and well-equipped gym.

RichPort Park Schiphol-Rijk is an office park in a very well-kept environment with spacious water features and associated green areas. Two hotels are situated in the park, including the Radisson Blu, which offers several meeting facilities and a restaurant. The hotels have shuttle services to and from Schiphol Airport. Furthermore, CompaNanny is located nearby, which provides a nursery and day-care facility outside of school hours (compananny.nl).

The park has a park management organisation. Characteristic of this organisation is the coordinated, joint use of several facilities on the business park. Services such as maintenance of public and private grounds, green areas, water features, and security are taken care of by the park management on behalf of the cooperation.

Location

The business park is located close to the exit of the A44/A4/A5 highway to Amsterdam, Haarlem, The Hague and Rotterdam and the N201. The location is also easily accessible from the A9 highway and Amstelveen. Schiphol Airport and the train station of Hoofddorp are only a few minutes away by car or public transport. Public transport to and from RichPort Park Schiphol-Rijk is operated by Connexion and R-Net. At the entrance of the park (Fokkerweg/Kruisweg crossing), within close proximity to the offices sits the "connection Schiphol Zuid" where the buses have a frequency of every 7 minutes during rush hour, and every 15 minutes outside of rush hour. With the Connexion circleline 180/181, the R-Net busline 340 and the regular busline the entire region of Schiphol, Amsterdam and Hoofddorp will be available. For detailed information, go to connexion.nl.
