Leased warehouse unit on business park De President in Hoofddorp

Jacobus Spijkerdreef 218, Hoofddorp

Project description

A modern (currently still leased) warehouse unit, situated on business park De President with a surface area of approx. 207 sq m divided over the ground floor and first floor. The unit is situated at the corner of the complex and has several windows, so there is a lot of day light. To the unit belong 2 parking places on the common parking area. The unit is leased until 31 March 2026.

Location

The business park De President is easily accessible from the highway A4/A44/A5 (Amsterdam-Den Haag – Rotterdam). The shopping centre of Hoofddorp is in a short distance. The area is, given its location and the adjacency of the railway station of Hoofddorp, also easily accessible by train and by almost all buses with a stop at the railway station. On the edge of the business park are two bus stops of the Zuidtangent, the super-fast bus connection between Haarlem, Schiphol to Amsterdam Zuidoost (bus line 300) and between Nieuw-Vennep and Schiphol to Amsterdam Zuid WTC (bus line 310). You will find further information on the website www.connexxion.nl.
