Office space in Building SQM Offices at Beukenhorst Oost in Hoofddorp

Antareslaan 1 - 27, Hoofddorp

Project description

The remarkable complex SQM Offices Hoofddorp with a total surface area of approx. 8,800 sq m located on a prominent location in the office area of Beukenhorst Oost is being renovated, modernized and made into an "all-in-house concept" where users can, among other things, have lunch, lounge, have meetings and workout. A total of approx. 3.120 sq m office space is available, from approx. 325 sq m.

In the central entrance hall between the two buildings there is a reception/lunch counter with seats and lounge area. From the central area the meeting centre is accessible on the ground floor, with 6 meeting rooms (varying in size with catering service) and on the ground floor, the gym, the lounge area and the business center have been realized.

The complex has a parking area and parking garage with a very spacious parking ratio and from the parking garage users have direct access to the offices through a keycard system.

Location

The accessibility is excellent with the exit of the A4 / A44 (Amsterdam - The Hague - Rotterdam) and the A5 within a few minutes by car. Schiphol Airport is reachable by car within 10 minutes. Right next to the building is the NS-railway station Hoofddorp and a stop of R-Net, a (mostly) free bus line with a fast bus connection between Haarlem via Schiphol to Amsterdam-Zuidoost (line 300) and between Nieuw-Vennep via Schiphol to Amsterdam Zuid WTC (line 310). Further information about travelling with R-Net can be found on connexxion.nl.
