Project description

The striking Orion Campus complex consists of the luxurious Central building and East and West buildings. The total complex comprises approx. 11,000 sq m, of which the Central building is the largest with a total surface area of approx. 5,350 sq m, the East and West buildings each have a surface area of approx. 2,795 sq m.

The campus is furnished in Art Deco style with geometric prints and shapes, clean lines and rich materials in many colours, and meets the highest standards, also in terms of sustainability.

In addition to state-of-the-art office space, the fully renovated campus will also have a coffee bar, a meeting centre with five conference rooms and a gym. The complex has its own restaurant with an outdoor terrace.

The complex has a joint parking garage, a beautifully landscaped and well-maintained garden, is located a stone's throw away from a stop on the R-Net free bus network and has a very favourable parking norm of 1:36. From the parking garage, users have direct access to the offices by means of a key card system.

Location

The accessibility is excellent with the exit of the A4/A44 (Amsterdam – Den Haag - Rotterdam) and the A5 just a few minutes away by car. There is an R-Net bus stop right next to the complex, accessible via a footbridge. This is a free bus lane, a superfast bus connection between Haarlem via Schiphol to Amsterdam-Zuidoost (line 300) and between Nieuw-Vennep via Schiphol to Amsterdam Zuid WTC (line 397). Further information about travelling with the R-Net can be found on Rnet.nl or connexion.nl. The NS-station is also at short distance and Schiphol Airport can be reached by car within 10 minutes.

Parking

The available parking places are located on the parking deck and in the parking garage underneath the building. The parking places are available on the basis of the very generous parking norm of one parking place per approx. 36 sq m of leased office space.

Surface area

In Complex Central one office unit is available:

2nd floor – approx. 550 sq m, partial letting is possible from approx. 275 sq m.
