Zandsteen 50, Hoofddorp

Project description

A small scaled business unit of approx. 404 sq m, divided over approx. 286 sq m warehouse and approx. 118 sq m office space. The unit is part of a larger complex with several buildings consisting of solitary office building as well as mixed warehouse/office units.

The complex is located at Airport Business Park de Hoek, a mixed business park.

The owners and users of the buildings at the Airport Business Park De Hoek have set up a Park Management Organisation, which takes care of, among other things, the security of the site and the maintenance of roads and green areas.

The grounds include an NH Hotel and a Hyatt Hotel, both hotels offer various facilities such as meeting accommodations and restaurants, gyms, etc.

Location

The accessibility of the area is undoubtedly excellent due to its location at the foot of the exit of the A4 (Amsterdam-The Hague-Rotterdam) and A5 (Haarlem). The site is also easily accessible by public transport with bus lines 263 and 140. The stops are located on the edge of the site (Parallelweg Kruisweg/corner Zandsteen). The free elevated bus lane R-Net has a stop (De Hoek Boven) within walking distance. This super-fast bus connection runs between Haarlem via Schiphol to Amsterdam-Zuidoost (line 300) and between Nieuw-Vennep via Schiphol to Amsterdam Zuid WTC (line 341) or Amsterdam Centrum (line 397) guarantees perfect accessibility by public transport.
