To let

Office space at Vision Plaza Campus at RichPort Park in Schiphol-Rijk

Boeingavenue 202 - 300, Schiphol-Rijk

Project description

The imposing complex Vision Plaza consists of three buildings, West, Central and East with a total surface area of approx. 28,000 sq m and is provided with a (joint) visitors parking deck with a large fountain, meeting facilities and restaurant and a parking garage for 650 cars.

In building West a total of approx. 3,845 sq m office space is available divided over 3 floors. On the ground floor there are "Business Lounges". These are small-scale turn-key office units.

Footpaths have been laid out around the campus with a beautiful garden and water features. The ground floor of the West building is equipped with a reception with hostess, a coffee bar/Hospitality Desk, a restaurant and outdoor terrace. There are also several meeting facilities available (small to large).

RichPort Park Schiphol-Rijk is an office park in a well-kept environment with spacious water features and associated green areas. Two hotels are situated at the park, including the Radisson Blu, which includes several meeting facilities and a bar/restaurant. The hotels have shuttle buses from and to Schiphol Airport.

Furthermore, CompaNanny is located nearby, which provides a nursery and day-care facility outside of school hours (compananny.nl). The park has a park management organization. Characteristic of this organization is the coordinated, joint use of several facilities on the business park.

Location

The business park is located close to the exit of the A44/A4/A5 highway to Amsterdam, Haarlem, The Hague and Rotterdam and the N201. The location is also easily accessible from the A9 highway and Amstelveen. Schiphol Airport and the train station of Hoofddorp are only a few minutes away by car or public transport. Public transport to and from RichPort Park Schiphol-Rijk is operated by Connexxion and R-Net. At the entrance of the park (Fokkerweg/Kruisweg crossing), within close proximity to the offices situates the "junction Schiphol Zuid" where the busses have a frequency of every 7 minutes during rush hour, and every 15 minutes outside of rush hour. With the Connexxion circle line 180/181, the R-Net bus line 340 and the regular bus line the entire region of Schiphol, Amsterdam and Hoofddorp is reachable.

Surface area

Building West

1 st floor	: approx. 2,108 sq m
2 nd floor	: approx. 1,274 sq m
3 rd floor	: approx. 465 sq m

The "Business Lounges" have been realized on the ground floor. These are small-scale turnkey office units. Separate project information is available on request.

Parking

The office space comes with parking places based on the parking norm of 1 place per approx. 30 sq m let office space situated in the parking garage and on the parking deck, both closed by a barrier. Visitors can park on the parking deck and lessees park in the parking garage. There are charging stations for electric cars in the parking garage.

State of delivery

The complex/office space features include:

- representative entrance with reception including a professional hostess (West building);
- atrium with a marble floor;
- a total of 4 elevators, including 2 panorama elevators (West building);
- mechanical ventilation with peak cooling;
- various toilet groups in the different building parts;
- suspended ceiling with built-in led lighting fixtures and motion detectors;
- cable ducts for data and electricity cables.

Glass optic fibre is available.

Building West is provided with energy label C.

Rental price

The rental price for the office space is € 175 per sq m per year excluding VAT and service charges.

The rental price for the parking places is € 1,100 per place per year, excluding VAT.

Lessor and Lessee explicitly declare that in determining the rent, the rent level is based on the starting point that Lessee will permanently utilise a minimum percentage as determined by law (or at a later stage to be determined) of the leased space for purposes giving right to VAT deductions, so that taxed rent may be opted for.

Service charges/utility costs

The advance payment for service charges and utility costs amounts to € 80 per sq m per year excluding VAT. This is based on an advance payment; settlement will take place annually based on the actual costs incurred.

Acceptance

On short term.
